# MW LINE

## Worth protecting - Do it yourself!

The DIY retail sector is one of the top sectors exposed to shrinkage and external theft.

Branded electrical tools, hardware and building equipment are products that often are difficult to protect. MW Security offers a wide range of solutions that with documented good results reduce shrinkage of high theft merchandise within the DIY sector.

- FORTKNOX™ Safers
- EASECURE© wrap around
- SOUNDWIRE™ 2
- EASEWRAP™

they all have a proven record of reducing theft and shrinkage down to a minimum.
