

Health & Beauty product range enlarged with new Safer

The MW Security product range within Health & Beauty Safers has been enlarged with one new safer for facial cremes, cosmetics, perfumes and others.

The small cubic safer FORTKNOX MULTI 11 is based on the patented FORTKNOX™ system, with 30% more locking positions than similar products on the market today.

- Inner dimension: 80x85x81 mm
- Outer dimension: 85x105x93 mm
