

Improve your bottom line with MW Security

PRESSRELEASE

ACAP INVEST AB has appointed a new CEO for MW Security AB.

Mrs. Patricia Widgren will take up the position as CEO for MW Security AB as of August 8, 2011. Patricia born 1970 has worked in sales and has extensive management experience from retail, wholesale and supply chain. Patricia's most recent position has been as Retail Manager for Bergendahl Home Deco AB.

MW Security develops and sells anti-theft protection for retail stores. The company has revenues of approximately SEK 60 million and has 15 employees. MW Security is being challenged to deliver growth and profitability, primarily through the further development of marketing work. "We are confident that Patricia Widgren, with her personality and experience in sales, combined with experience in retail and wholesale level, is the right person to lead MW Security to achieve its goals," says ACAP INVEST CEO Mats Lindskog.
